Rules

In order to qualify for this price guarantee, the rate must currently be offered by a1autotransport.com. To receive this everyday special offer, A1 must receive via fax or email, the quote that was given to you from a legitimate, licensed, Auto Transport Carrier. Please do your comparison shopping before submitting a competitors quote to us for "Low Price Guarantee" validation. We can accept only ONE submission from you for comparison. Your submission must be completed before your order is placed, no exceptions.

Low price guarantee applies to all moves within the United States and is subject to availability, on A1 Auto Transport primary routes. Service rendered must be an "apple for apple" comparison, with matching services provided, no deviations. Please call your sales representative for validation of your submission today.

Competitors considered are established Auto Transport Trucking Companies that own and operate their own fleet of trucks. Brokers, Online Directories, Wholesale freight distributors, are not considered to be in the same line of business as A1 Auto Transport.

Please attach copies of competitive quote to receive your low price guarantee.
